

BECKENHAM PHOTOGRAPHIC SOCIETY - NATURE SPECIAL INTEREST GROUP

2018 summer field trip programme

Sun 29 April - Andrews Wood - 5.00pm to 8.00pm Andrews Wood is situated off Shacklands Rd, Badgers Mount. Leaving Bromley on the A21 follow the route to the M25. Before reaching that take a road on the right leading to Knockholt Station and Halstead. Take either the first or second left leading to Shoreham, this is Shacklands Rd. The entrance to the wood is on the right about 400yard down this road. There is a car park and toilet. The car park is locked at night so watch the time. To reach the best part of this wood and bluebells you need to walk across a Motorway bridge, this will only take about 10mins. Make your own way - meet in the car park at 5.00pm. Please let Barrie know you are going - drbjbrown@gmail.com

Sun 6 May - Recce field trip to the Box Hill area with Julia - details from Julia - andrew.julia@gmail.com

Tue 29 May NSIG meeting at Sandy's house 8.00-10.00pm Please let Sandy know you are going - sandy18white@yahoo.co.uk

Tue 3 July 2018 Lingfield Wildlife Centre - private group visit 2.15 to 7.30pm. Wide range of fauna, including red squirrels, badgers, otters and deer. Rendezvous for briefing at Lingfield at 2.15pm. The address of the BWT is Eastbourne Rd, Newchapel, Lingfield RH7 6LF For info contact Barrie drbjbrown@gmail.com

Sun 22 July Ockham Heath- Bolder Meer KT11 1NA 3.00pm -18.00pm Meet at the Old Lane car park at 3.00pm Mostly macro photography - butterflies, dragonflies, bees and other bugs. Also some birds. We'll split into small groups of 3 max and spread out over the area, meeting up for a coffee/beer and post mortem at the Black Swan Old Lane Ockham Contact Philip for details Philippound@yahoo.co.uk

Weekend Friday 7 to Sunday 9 September - Dorset butterfly weekend trip - stay in b&b in Dorchester for 2 nights and visit butterfly sites at Portland, Purbeck and Martin Down. Return home on Sunday late afternoon. **Details of the final itinerary to be agreed at a meeting of the participants in June - to be arranged**
