

## Denis Berry Digital Competition 2018

1. The competition is for sequences of 5-9 digital images on a theme, and the themes are of the member's choosing.
2. Generally, a sequence that shows a progression from beginning to end or tells a story is better received than one which is just a collection of related images.
3. The competition will be digitally projected and judged by audience vote.
4. Members may submit up to two sets of images.
5. Entries must be submitted using the PhotoEntry system. Click on the link to the Dennis Berry competition on the *Enter a Competition* web page:  
<http://www.beckenhamphotosoc.org.uk/Competitions/2018-19/CompetitionEntries.html>
6. As usual, images must be RGB JPEGs no larger than 1400 pixels wide x 1050 pixels high and in the sRGB colour space.
7. Each sequence must have a different title.
8. Images will be shown in the same order as you entered them in PhotoEntry. Image titles are optional. They should not have a number.
9. The closing date for entries is 18<sup>th</sup> November 2018.
